

AMSA Vehicle Recovery Program

The Vehicle Recovery Program was developed by the AMSA Safety Management Committee to assist members in recovering missing vehicles. Van lines, agents and independent members should report missing vehicles to AMSA by completing this form as thoroughly as possible. Email to Daniel Hart, Senior Manager of Government Relations at dhart@moving.org.

Note: All suspected stolen vehicles should first be immediately reported to local law enforcement. Agent members should also report missing vehicles to their van lines.
