

MOVING DAY ETIQUETTE

1

Take time to meet your moving crew; have an adult available to answer questions.

2

Provide essentials such as drinking water and access to a restroom. If you've already packed your bathroom, provide hand sanitizer and paper towels.

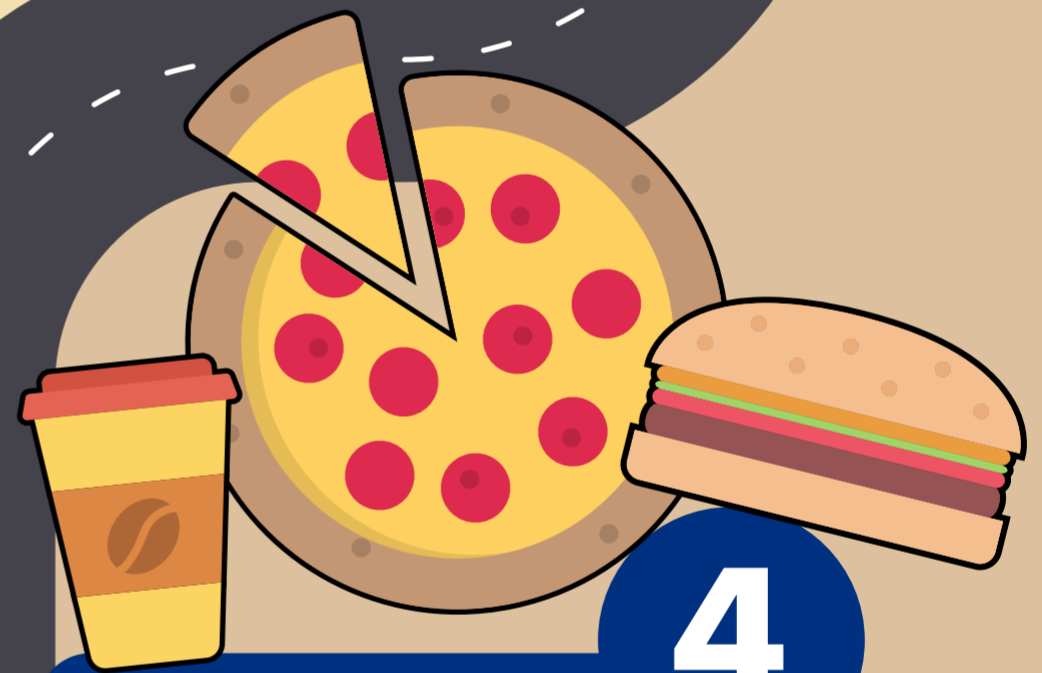

3

Keep kids and pets busy; make arrangements with friends, relatives, or a kennel (for the pets).

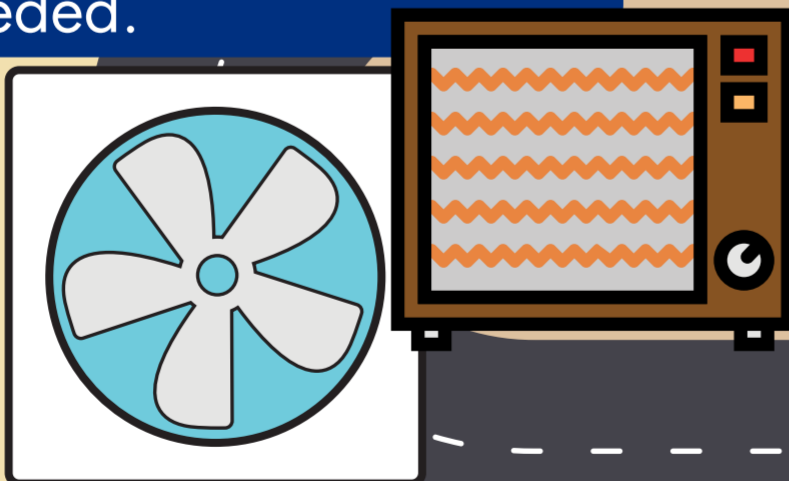

4

Offering your movers coffee and lunch is appreciated.

5

Exterior doors will be open; use fans or space heaters as needed.

6

If you're happy with your moving crew, send an email or letter to the carrier. Crews are ranked by quality scores and comments by customers. Tips are appreciated too.
